

27<sup>th</sup> September 2004

Service Master has been cleaning our offices for in excess of 4 years, and has provided an exemplary service. Cleaning standards are very high, and customer service is excellent. Monthly checks ensure everything is kept on track, and any minor problems are dealt with quickly and efficiently. We have always found the cleaners to be very pleasant and trust worthy, and I would highly recommend Service Master to anyone considering taking on a new cleaning company.
